Community Celebrates Start of Construction on Casa Grande Apartments

CASA GRANDE, Ariz. (June 8, 2026) – [Gorman & Company](#), alongside city leaders, will celebrate the **groundbreaking of Casa Grande Apartments on Wednesday, June 10, 2026, at 10:00 a.m. at 115 W. Main Avenue, Casa Grande, AZ.** The event marks the **start of construction on a new affordable housing community** that will contribute to the broader reinvestment effort in the city's core.

"The City of Casa Grande is thrilled to have Gorman & Company bring this project to our community, said **Robert Aldous, assistant to the city manager of Casa Grande.** "This development will preserve the site's historic character, support downtown revitalization, and expand high-quality housing options for Casa Grande residents."

Casa Grande Apartments will deliver **64 new apartment homes** across **three residential buildings**, offering a mix of **one, two, and three-bedroom units**. The development also includes the **adaptive reuse of the historic Shonessy House**, which will be preserved and repurposed to serve as a community space and leasing office.

"This is a meaningful step forward for Casa Grande and for the families who will call this brand-new community home," said **Sally Schwenn, Arizona Market President for Gorman & Company.** "We're proud to work alongside the city and our partners to bring new housing to the 'Life on Main' redevelopment district, adjacent to downtown, in a way that builds on its history and supports its future."

Construction on the project has begun, with completion anticipated in 2027.

Financing for the project is provided by:

- Arizona Department of Housing
- City of Casa Grande
- Central Arizona Regional Economic Foundation
- BMO
- Enterprise
- Rocky Mountain Community Reinvestment Corporation (RMCRC)
